
DD 214 Copies Now Available Online

The National Personnel Records Center (NPRC) has announced that Veterans may now gain access to their DD-214s online. NPRC is working to make it easier for Veterans with computers and Internet access to obtain copies of documents from their military files. Military Veterans and the next of kin of deceased former military members may now use a new online military personnel records system to request documents. Other individuals with a need for documents must still complete the Standard Form 180,

which can be downloaded from the web site.

The new web-based application was designed to provide better service and reduced processing time. Additional documents and services, such as awards and medals eligibility, replacement medals, benefits and claims, health and medical records, etc., can be provided by NPRC upon request.
